

**He does great things which we cannot comprehend.
For He says to the snow, 'Fall on the earth'; likewise to the gentle rain & the heavy rain of
His strength. Job 37:5-6**

May 26 Harrison, NE
Harrison Bible Church

Just as the April snows in this part of the world have brought much needed moisture, so this past month has brought some much needed times of refreshment. I have been encouraged by the body of Christ as I have visited friends, supporters & churches. What a blessing to see how God is doing great things in small towns in the USA & to be refreshed by the excitement of

the believers over the great things God is doing in Ukraine. One meeting was cancelled due to the snow, but we were able to reschedule.

Enjoyed spending Easter week with my niece & nephew & their parents.

Ukraine Update

Thank you for your prayers for the post abortion ministry leader training & the Forgiven & Set Free Bible studies that were completed in March. Fifteen ladies with a combined total of 147 abortions completed the study this spring. Praise the Lord for healing in their lives & for continued growth in our Bible study leaders.

Some good progress has been made on the translation of the counseling material we plan to use in the pro-life ministry. I have been able to lend a small amount of help from a distance by reading through the translated lessons & sending the team my comments. Your prayers for this huge project are much appreciated.

Your prayers are an essential part of my ministry & I am grateful for each one who faithfully partners with me in prayer.

Reminded by the snow to praise God for His Greatness!

Holly Friesen
