I started off the new year with some precious family time. I enjoyed the chance to relax & just soak in the time with my parents, siblings, aunts, uncles, cousins, & my Grandma. I

am thankful for a family that shares my love for the Lord & for the spiritual encouragement that they are to me.

Now that the holidays are over I am preparing for opportunities to share about my ministry. I will be covering a lot of miles over the next 7 months in the states & look forward to seeing many of you along the way. I am grateful for the reliable vehicle that the Lord has provided for me, but would appreciate your prayers for safety on the road. Please pray that God would be glorified as I have opportunities to share about my ministry in churches & with individuals. If you see that I will be near you & would like directions to the church I will be sharing in or would like to meet for a meal or coffee during the week, please let me know!

Thank you for partnering with me in prayer!
