

# July 2013 News From Holly

**My help comes from the LORD, Who made heaven & earth. Psalm 121:2**

This past month I had the opportunity to view one of the 7 wonders of the world. Viewing the power & beauty of Niagara Falls I was filled with awe for the Creator of it all. It lends greater significance to the words of the above verse. My source of help & strength is the Almighty Creator of the universe & there is nothing too difficult for Him!

Praise the Lord for answered prayer!  
~ I am grateful for continued safety in travel. I have covered many miles over the past month. I am also grateful for the time the Lord has given me with family & friends and for the blessing & encouragement they have been to me.  
~ God continues to provide the monthly support commitments that I need to help cover ministry expenses. I am only \$50 a month away from the amount I hoped to raise!  
~ The necessary documents have been signed & the registration of "Choose Life" in Ukraine is almost complete. We are grateful for the members of our steering committee who have been working on this.  
~ God blessed my time in Grand Rapids, MI at the Life Matters Worldwide SUMMIT. I was challenged & encouraged by the sessions & fellowship with others who are involved in pro-life ministry. I was able to visit a number of pro-life ministries while I was in the Grand Rapids area as well as visit with the ladies who will be coming to Ukraine next year to help us do our first volunteer training. I am thankful for the advice, ideas, & encouragement that I gleaned through my time there.

**Praise the Lord for precious reunions with family & friends!**
