

May 2013 News From Holly

But we have this treasure in earthen vessels, that the excellence of the power may be of God and not of us. 2 Corinthians 4:7

Grand Haven Community
Baptist Church

June 30 AM Flint, MI
Riverdale Baptist Church

June 30 PM Pittsford, MI
Freedom Farm Bible
Church

This verse was part of the message that I shared with the Senior Girls at Sunshine Bible Academy when I had the opportunity to speak to them. What an amazing privilege we have been given to be the vessels God uses to carry the precious message of the gospel. My challenge to them

SBA Senior Girls Tea

was to guard the purity of their vessel in an outward physical sense as well in the inward sense of guarding their hearts and minds so that they would be vessels purified and fit for the Master's use. I have had a number of other opportunities to challenge young people to pursue a life of purity not just in a physical

sense but also as it relates to their relationship with God. Please pray for the additional opportunities I will have to share in the coming weeks. In addition to continuing to share about my ministry in churches I will also have the opportunity to share about the ministry in Ukraine at ABWE's Medical Missions Interface. This will give me the opportunity to interact with healthcare workers interested in using their skills in short term or career missions & will also give me the opportunity for more training & fellowship. Please pray for God's blessing on this time. Praise the Lord I have received some new monthly support commitments as well as some special gifts for the Ukraine Pro-Life Ministry. Please continue to pray for God's provision for my monthly support needs as well as provision of the funds needed for the future pregnancy care center in Odessa. Thank you for your faithfulness in prayer. Thankful that God uses common vessels.
