

Update from Holly April 2018

“Blessed be the God and Father of our Lord Jesus Christ, who according to His abundant mercy has begotten us again to a living hope through the resurrection of Jesus Christ from the dead.” I Pt. 1:3

Praise God for the sure hope that the resurrection of our Savior gives to us. I trust that you were blessed by the recent celebration of the resurrection!

Thank you for your prayers regarding the purchase of a building for the ministry of Choose Life. We were able to complete the purchase and the remodel has begun. Pray for wisdom as decisions are made about the remodel and the move

out of our current facility the end of the month. Pray that we will be able to do what needs to be done and stay within the planned budget. You can still contribute to this project by giving to the Choose Life Ukraine building project.

I am thankful for the safety God has given me as I have traveled during the winter months. It has been a joy to visit with many who faithfully pray for and give to this ministry. I am over halfway through my year of home ministry. Lord willing I will be returning to Ukraine in August. I have a full schedule up until the beginning of August, so appreciate your continued prayers for safety as I travel and God's blessing as I share the ministry in Ukraine. I continue to trust the Lord to provide the additional monthly support that I need. If you would like more information about this need, let me know.

We are grateful for the recent arrival of Dr. Tim Murphy and his family in Ukraine to help with the medical ministry for 3 months. Angela and the kids will also be helping to organize an English outreach in one of the villages where we recently started doing clinics. Thank you for your continued prayers for God's blessing on their time in Ukraine.

Although it does not appear in the news anymore, the conflict in Ukraine is still ongoing. In recent months it has become increasingly difficult for believers living in the separatist controlled areas, due to increased restrictions on religious activity. Our team has continued to channel funds to those in need through the Ukraine Crisis Fund. This fund has given priority to humanitarian aide that is accompanied by the gospel message. You can contribute to this fund using account #717401. Please continue to pray for peace in Ukraine but also that God would continue to use this situation to draw people to Himself.

Because He Lives!
