

## Update from Holly July 2018

Have not I commanded you? Be strong and of good courage; do not be afraid, nor be dismayed; for the LORD your God is with you wherever you go. Joshua 1:9

The past month was full of transitions. I am thankful for the Lord's presence wherever I go. I helped my parents move to Kansas and am establishing my U.S. residence at their new home. (Note my new U.S. address) They seem to be settling in well, and we are grateful for God's provision of this place for them.

After much hard work by paid workers & volunteers, the new center for Choose Life is open and functioning. We are very grateful for God's provision of a place of our own. June 13<sup>th</sup> they had a short service of dedication followed by an open house. A number of local pastors spoke

words of encouragement and prayed for God's blessing on this new facility. Thank you for continuing to pray as some remodel details are still being finished up. Pray that God will continue to bring clients in need to our center. Our volunteers have had contact with a couple of new clients this past month. One young lady is receiving a lot of pressure to abort and as far as we know still has not made a final decision. Pray that God would give wisdom to the counselor who is working with her, and that she will choose life for her baby.

Thank you for your prayers for the medical team as they traveled to eastern Ukraine. God blessed them with safety and many opportunities to share God's love. They were able to minister to people who deal with the uncertainty of living closer to the front lines of the conflict. Dr. Tim Murphy and his family returned to the states right after this trip. Pray for them as they adjust to being back in the states after 3 months of ministry in Ukraine.

Next week I will be the camp missionary at Whispering Winds Bible Camp. This is the camp I attended growing up and the missionary speakers were influential in my decision to go into missions. I am excited about this opportunity to influence the next generation of missionaries. Pray that I will be able to communicate well.
