

Update from Holly March 2018

“And my God shall supply all your need according to His riches in glory by Christ Jesus.” Philippians 4:19

God has been at work answering prayers and supplying for our needs in unexpected ways. In my last letter I shared that we were looking for a new place to rent for the Women’s Center while we continue to raise funds to purchase our own place. Rent prices have almost doubled in recent years, and we were struggling to find a place that would meet our needs and fit into our budget. In the process of looking for a place for us, our realtor found a building for sale that would meet our current needs at an incredible price (half the price of what our current rental was being sold for) and in a good location. It needs the roof replaced and some cosmetic remodel, but we have enough in our building fund to be able to purchase and do the necessary remodel. It is only slightly larger than the place we have been renting, so we will still need to add on in the future or purchase a larger place and sell this one. However, it will meet our current needs and allow us to quite pouring money into rent! Praise the Lord for this provision. The legal process in Ukraine can be complicated and we are working hard to get all of the necessary funds in country. Pray for God’s blessing on this process and that we will be able to finalize the sell and begin renovations this month. God blessed us with another month in our current office because the sale of that office fell through. This will make it possible for us to prepare the new facility before we have to move, making the whole process much easier. You can still contribute to this project by sending gifts to ABWE and designating them for the Choose Life Ukraine building project #0757353. Thank you for your prayers!

Dr. Tim Murphy and his family (3 children) will be traveling to Ukraine to help with the medical ministry for 3 months beginning April 2nd. We are grateful for this much needed help for Dr. Miriam. Tim’s wife Angela will be organizing an English club in one of the villages as well as other English ministry. Please pray for the Murphy family as they prepare for this time in Ukraine. Pray that God will use them mightily & grow them as they serve.

I have been enjoying the chance to meet up with many of my supporters and friends as I travel and share about the ministry in Ukraine. Praise the Lord for safety and good weather as I recently spent time in the Kansas area. I have had a couple of supporters indicate that they plan to increase their support amount and others who indicated they were praying about beginning to support me. Thank you for your continued prayers for this need.

Praising God for His provision!
