

Update from Holly October 2017

Who gave Himself for us, that He might redeem us from every lawless deed and purify for Himself His own special people, zealous for good works. Titus 2:14

I was blessed and challenged by the teaching we received from Titus 2 at the Revive '17 conference for women in ministry. I am so thankful that the Lord allowed me to attend along with my mom, sister, and friend Trish. The fellowship with them before and after the conference was also refreshing.

I have started a busy travel schedule. I would appreciate your prayers for safety as I travel and for the ability to clearly communicate about the ministry in Ukraine in a way that will bring glory to God. I hope to be able to visit with many of you along the way. If you see that I will be near you and would like more information about service times or would like to meet for coffee, let me know!

Thank you for your continued prayers for the ministry in Ukraine and especially for Luba as she directs the Women's Center. One of the young women I mentioned in my last letter who was considering abortion decided to go through with it. However, she has continued to be open to visiting with the counselors at the center and agreed to do the Story of Hope Bible study. Pray for her salvation! Pray also for the leaders and participants in the post abortion healing Bible studies going on this fall. One of our center clients who was saved the end of last year is going through the study. Pray that it will strengthen her faith & understanding of all that Christ has done for her.

Since opening the Women's Center, we have been renting an office space. ABWE has now approved us to raise money to purchase & remodel our own office. This would provide us with greater stability & we trust with more room for expansion of the ministry. We estimate that it will be a \$482,000 project. You can pray with us for God's timing and provision. If you would like more information about this project or how you can give, let me know!

We also appreciate your continued prayers for the medical ministry. Pray for Dr. Miriam as she has a heavier load without me there. She recently completed a very busy week working with a team of eye doctors from the states. Thank you for your faithfulness in prayer and for the notes of encouragement. You are a blessing to me!

Because of Christ,
Holly Friesen
